Responses to the Green Energy Consumer's Alliance's Hearing Records Requests
Issued on December 15, 2021

GECA RR 1

Request:

What is the current Return on Equity for Kentucky?

Response:

The current return on equity for Kentucky approved by the Kentucky Public Service Commission on June 30, 2021, is 9.425%, with a 9.35% return on equity for the Environmental Cost Recovery (ECR) and gas line tracker (GLT) mechanisms.
